Karina Lucas would be delighted to offer a recital programme based on your suggestions from her repertoire list (pages 3 and 4) and according to where your interest may lie. She is also always very happy to consider including additional songs that you think might appeal to your audience, or to offer one of the example programmes below. Karina collaborates on a regular basis with Simon Lane (piano), Sholto Kynoch (piano), Rebecca Jones (viola) and Dimitris Dekavallas (classical guitar).
